**Families Wanted for  
Free and Reduced Lunch Program**

Families that qualify for free and reduced lunches should take advantage of this federal government program. Not only does it help your family financially, it also helps your school district financially. Reimbursements for free and reduced lunches are almost double of that what our students pay out-right. Not only are reimbursements made to the food service program, but it also generates funds for the general school fund. In other words, please take advantage of the free and reduced lunch program. It will benefit your family as well as your school district. All applications are kept confidential. We need your help. Applications are available in this mailed newsletter, during enrollment or at the superintendent's office.

Thanks, Jerry Turner
